JAN/FEB 2012

News from The Center

The Center @ Jenks Rest - Senior Center has some new and exciting opportunities beginning in 2012 which will "encourage you to actively achieve your highest quality of life."

First, we offer another huge **THANK YOU** to The Community Foundation of Greater Lafayette. They have awarded our agency with a grant to install a projector/DVD/sound system to our conference room to provide our agency with multi-media capabilities. With a 5x8 foot screen you will be able to watch our **Monthly Movie** on the afternoon of the third Wednesday of every month beginning in February.

Also, you might be interested in participating in our new class - **The Great Courses' Understanding the World's Greatest Structures: Science and Innovation from Antiquity to Modernity.** This is a 24 week course (30 minutes of DVD) and 20 minutes of discussion. This class will begin on Tuesday, Feb. 7 at 12:30p. Please sign-up for this class at the reception desk as seating is limited.

If you are interested in spending some time at the Senior Center to complete your hobby projects you might want to join other hobbyists for **Hobby Time** on Tuesdays from 12:30 - 1:30 p.m. begin-

ning Feb. 7th. This time will allow the participants to share ideas and encourage each other as everyone works on their individual projects.

Starting in March there will also be a **Digital Photography class** led by photographer John Schanlaub. This class will cover all aspects of digital photography from how to turn the camera on to producing amazing photographs. If you are interested in taking this class, please sign up at the reception desk - participation is limited.

And, as always, if you have any new ideas for classes - please let Melanie know! Thanks.
