This program provides qualifying seniors (who live in Lafayette) with small household repairs at low or no cost to the homeowners (income guidelines do apply). We also can replace roofs using Neighborhood Impact Funds. Please contact our SHARP Manager (447-2311) to fill out all necessary paperwork.

This program is a specialized "Door-Through-Door" transportation service for seniors and disabled individuals who cannot drive. News from The Center

As we prepare to say good-bye to 2011 the staff and board want to thank everyone who participates in Center activities. It is a joy to offer programs that "encourage seniors to actively achieve their highest quality of life."

Thanks - to those who have been generous with their time. We couldn't survive without our Bingo Operators, receptionists, Gift Shop volunteers, Ambassador singers and all those who help on special projects! We are very grateful for

these kind folks and the time they give.

A great big **THANK YOU** to those who have donated money. As a non-profit agency we are dependent on the monetary gifts provided by caring individuals, companies and granting agencies.

Remember, we charge no fees for the services we provide! That means if we don't receive donations - obviously we have to make hard decisions. Please help us keep our programs running smoothly.

Bonus: if we receive new donations we can expand our services to offer more programs! Finally, we want to wish each of you a happy holiday season and a joy filled 2012!

"New Years come and New Years go; pieces of time all in a row. As we live our life, each second and minute, we know we're privileged to have you in it. Our appreciation never ends for our greatest appreciation is our Center @ Jenks Rest friends!"
