News from The Center

We had great news in August - First, we were awarded a **Community Foundation of Greater Lafayette** grant to upgrade the server and computers for the computer room and staff. We are hoping the upgrade will provide more seniors the opportunity to practice their computer skills, learn new ones and stay connected to family and friends. We are very grateful for the generosity of the **Community Foundation.**

Another joy is the gift of a flat screen tv provided by **Comfort Keepers.** We will mount this tv in our reception area and use it to keep everyone informed. We can publicize upcoming classes and trips, celebrate birthdays, and provide important information regarding health and wellness. We thank **Comfort Keepers** for their kindness.

The third gift we received was being chosen by **HuHot Mongolian Grill** to

be the recipient of a portion of their profit in August. Most restaurants give non-profit agencies the opportunity to raise funds at a one night event but HuHot goes far and beyond by gifting non-profit agencies a full month of fundraising opportunity.

We encourage everyone to eat at **HuHot** and when you do - please thank them for their generosity - it is truly amazing!
